Join Us for Tea Guided Motor Coach Tour

Did you know Charleston is home to the only working tea plantation in North America? We'll start this tour with stop at the McLeod Plantation. Established in 1851, this recently opened 37-acre site features significant African-American heritage. Next, we'll head south to Wadmalaw Island and the Charleston Tea Plantation, where we'll tour the grounds and enjoy lunch on the lawn. Next it's on to Deep Water Winery, producer of red and white wines produced from muscadine grapes. We'll also tour Firefly Distillery, famous for developing the original sweet tea vodka! We will enjoy tours and tastings at all three locations.

Lunch will be provided.
