### International Showcase 2017 Super FAM Tours

Qualified International Buyers are invited to be our guest on one of our Southern Familiarization (FAM)

Tours hosted by the state of North Carolina.

All tours are reserved on a first-come, first-served basis so please register early.

On our Life in the Fast Lane Fam Tour you'll see North Carolina like never before! The tour of the home of NASCAR isn't complete without a spin around the track at more than 100 miles per hour. What all started from transporting illegal moonshine is now one of our most popular sports! From there we'll head to the original Krispy Kreme shop in Winston-Salem, once home to tobacco manufacturing and now a thriving arts community and home to the Yadkin Valley wine region. Partake in a beverage and culinary experience you're not soon to forget at the 5-star inn and restaurant, Fearington House. With the belted Galloway cows and famous fainting goats, the visit to the Village will have you thinking you've left the city and escaped to luxury. Finally, settle into the new enriched vibe of Raleigh. The capital city is home to amazing James Beard award winning chefs, chocolatiers and plenty of craft brews!
