

NASHVILLE SETS THE TONE

Whether you're interested in music, art, history, food, culture, or fashion, Music City will give everyone something to sing about. Nashville is accessible, friendly, and authentic, with diverse neighborhoods, a unique musical heritage, and a creative culture that pervades the city.

Proudly called Music City, Nashville is home to more than **180 live music venues** each offering a unique experience that will have you leaving a new fan of many artists.

Visit the historic **Ryman Auditorium**, once home to the Grand Ole Opry. The auditorium has hosted artists from Charlie Chaplin and Hank Williams to Jack White and Taylor Swift.

Just steps away, **honky tonks** line Lower Broadway and showcase live music seven days a week with no cover charge.

Outside of downtown, the **Grand Ole Opry** honors its rich history with a mix of country music legends and contemporary chart toppers for full-band shows while the famous **Bluebird Cafe** highlights Nashville's songwriters through intimate writers' rounds.

Nashville draws in a wide range of musical genres in addition to country. Americana, rock, hip hop, bluegrass and more pour out of venues like **Ascend Amphitheater**, the **Station Inn**, **Exit/In**, **The Basement East** and

Marathon Music Works, while the GRAMMY® Award-winning Nashville Symphony fills the **Schermerhorn Symphony Center** with classical sounds.

Nashville's creativity doesn't just end with music. Local eats ranges from traditional southern "meat-and-threes" to chef-driven dining with new offerings always coming to town, like **Assembly Food Hall** at the new **Fifth + Broadway** shopping and retail development. Starting on 5th Ave., Upper Broadway is also home to international fine art featured at the **Frist Art Museum** and more musical history at the **National Museum of African American Music**.

A very walkable city, Nashville is home to many open-air green spaces. Dubbed the Athens of the South in the 1800s for its commitment to art and education, Nashville's **Centennial Park** claims a full-size replica of the **Parthenon** complete with the 42-ft high statue Athena, the tallest indoor sculpture in the western world.
